## CORONAVIRUS

Following an emergency meeting of the Management Committee this morning, Tuesday, 17<sup>th</sup> March 2020, it has been decided that with effect from Saturday, 21<sup>st</sup> March 2020, all normal sailing activities will be suspended until further notice.

With the dramatic shift in emphasis in the Government's guidelines over the past 24 hours, in that the virus is still accelerating, although still low at the moment, there is a need for:

- People to consider working from home
- Elderly/pregnant women/people with underlying health conditions to take particular care
- Avoid pubs, clubs and restaurants
- Avoid gatherings however big or small
- Avoid social contact and unnecessary travel

As can be seen, the Government is ramping up measures to combat this unprecedented situation.

Regrettably, the Osprey and Solo Open meetings on 18/19<sup>th</sup> April 2020, are postponed, together with the University Varsity event on 29<sup>th</sup> April 2020.

I am sure that all concerned will understand the position the club finds itself in and will support these actions. Obviously a watching brief will be diligently kept with a review on the 1<sup>st</sup> May.
