## **Alert Level Four – Covid-19**

Hi Everyone

As you are most probably aware, the Covid-19 virus is very high in Wales, and with this in mind, the decision has been taken that the Christmas Series will not now take place this year.

Bearing in mind the announcement today (16<sup>th</sup> December 2020) by the Welsh Government that from 28<sup>th</sup> December 2020, Wales will be moving into an open-ended Alert Level Four lockdown, meaning people must stay at home, not meet people outside their household and avoid non-essential travel, the Club will close after sailing next Sunday, 20<sup>th</sup> December 2020 and will remain so until such time as these sanctions are lifted. As has been the norm, any changes will be communicated to you via an update.

Would everyone please adhere to this lockdown and not attempt to access the Club during this period.

I should like to take the opportunity of saying how fortunate I feel in having a Club membership, Committee and Flag Officers that have given me such support and understanding during these trying times; I can assure you it has made my job much easier, and I thank you all, most sincerely, for your continued acceptance of the restrictions that have been in place at the Club.

Finally, may I wish you all a very Merry Christmas, as best you can, and let us hope that 2021 will herald a new beginning that, at least, will be somewhere near the old normal.

Please take care everybody, and stay safe and well.

Best regards

*Linda*
