

# Tata Steel Sailing Club

## CORONAVIRUS – 9<sup>th</sup> UPDATE

Three days ago on 25<sup>th</sup> September 2020, I wrote to you regarding the County Borough Lockdowns affecting the Club. Yet again there is another change, in that a further three Counties are going into lockdown by 6.00 p.m. this evening, 28<sup>th</sup> September 2020, those of Neath/Port Talbot, Vale of Glamorgan and Torfaen.

Your Committee is anxious to keep things “ticking over” and not to totally close the club once again. To this end, Stan Williams together with Martin Tossell, have kindly consented to run the Club on the following basis:

1. Sunday sailing/windsurfing to continue for those members **RESIDING** in the Neath Port Talbot Area
2. The activity will take the form of **CASUAL** sailing/windsurfing only
3. Time of session 12.00 midday – 3.00 p.m.
4. Stan will be the COVID-19 Marshall with Martin on Safety and one other who will be taken, on a rotational basis, from those attending
5. Booking by the previous Friday will remain.

**This will be run, initially, on a trial basis for the first two weeks in order to ascertain numbers. We will then consider the merits of continuing based on the amount of support.**

As always, take care and stay safe.

*Linda*
